

Buyer Registration

The image shows a 'Buyer Registration' form. At the top is a blue icon of a storefront. Below it, the title 'Buyer Registration' is followed by the subtitle 'Apply for a FabricFlow wholesale account'. The form contains four input fields: 'Company Name' (with placeholder 'e.g. Tesco'), 'Your Full Name' (with placeholder 'John Doe'), 'Email address' (with placeholder 'john@tesco.com'), and 'Password' (with a toggle icon). A blue 'Register' button is at the bottom. The form is set against a light blue background with a dark blue wavy shape at the bottom. A small 'N' icon is in the bottom left corner.

✅ **Order Can Be Completed**

Subject: Order Completion Within Timeline

Dear Sir/Madam,

We acknowledge the timeline of 75 days provided for this order. Our team confirms that we can complete the work within the given schedule, and we are ready to proceed with the order.

Best regards, [Your Name]

Given days 75

can complete within 88 days

need more 13 days we can't do the order

❌ **Order Cannot Be Completed**

Subject: Order Cannot Be Completed Within Timeline

Dear Sir/Madam,

We acknowledge the timeline of 75 days provided for this order. Our team requires 88 days to complete the work, which exceeds the given schedule. If you are able to extend the timeline by 13 days, we will be able to take on the order and deliver it successfully.

Best regards, [Your Name]

vada na pending approves

need two catorgarized pending approvals (bulk pendings and sample pendings)

Admin panel have to download the sample pdf

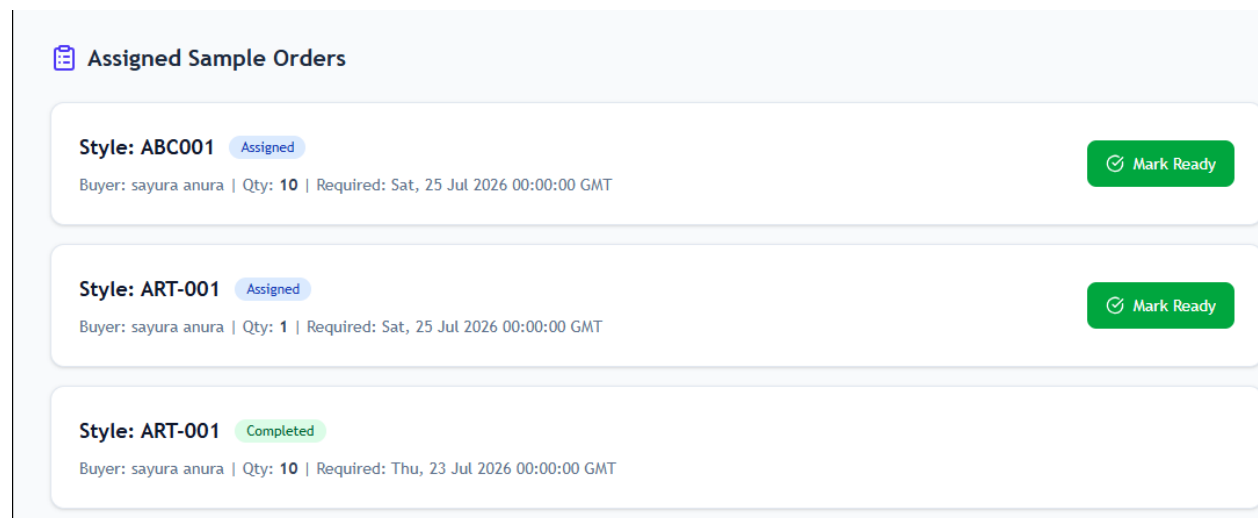

When trying to assigned to the plant first showing error and then maybe 2 minutes after successfully added

component 1 admin panel sample orders

Need a button and smoothly down to see all the descriptions and details.

When the sample added immediately showed into this panel (need checking button)

Plant side

Assign order first need approved status after that days gone automatically plant mark as completed

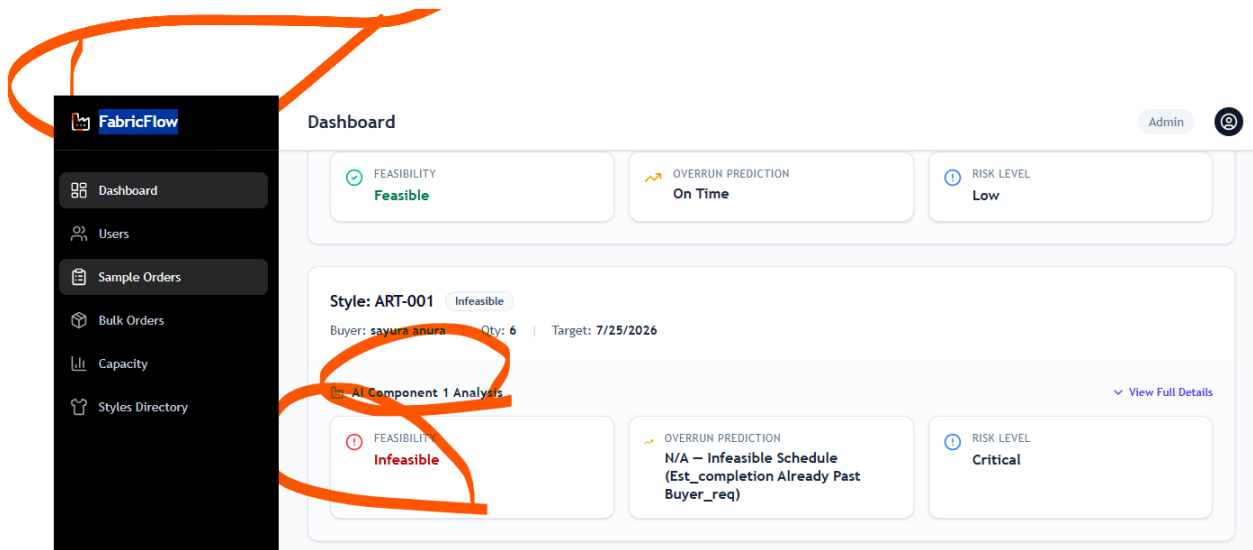

mark as button remove and give drop down list to update status

also want this one by one styles needed to view

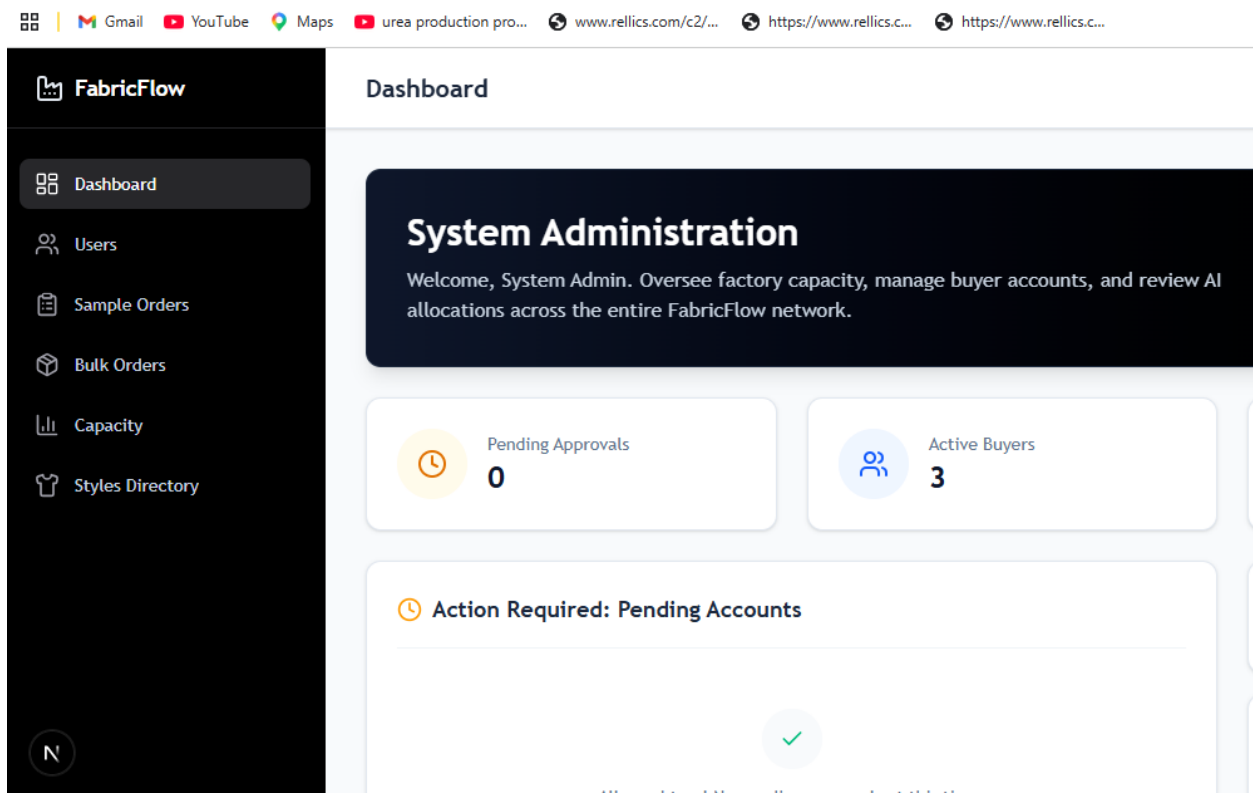

The screenshot shows the 'Add New Style' form in the FabricFlow application. The form is located in the main content area of the dashboard, which also includes a sidebar with navigation links: Dashboard, Users, Sample Orders, Bulk Orders, Capacity, and Styles Directory. The form itself has a title 'Add New Style' and a close button (X). It contains several input fields and a dropdown menu, all with placeholder text. The fields are: 'Style Number *' (placeholder: e.g. ART-001), 'Style Name' (placeholder: e.g. Summer Floral), 'Garment Type' (placeholder: e.g. T-Shirt), 'Design Width (cm) *' (placeholder: 0.0), 'Design Length (cm) *' (placeholder: 0.0), 'Color Count *' (placeholder: e.g. 5), 'Stitch Count *' (placeholder: e.g. 15000), and 'Complexity' (dropdown menu with 'Medium' selected). At the bottom, there is a 'Description' field with a placeholder 'Style description...'. The form is styled with a light blue background and rounded corners.

This panel also want the garment side also needed(after the garment side approved the request our side needed to update)
